PIANO DELL'OFFERTA FORMATIVA (P.O.F)

The P.O.F (Piano dell'offerta formativa) is what the school is and offers to the students and the families.

School programmes and activities are based on the National School Programmes aim. The P.O.F is revised and approved by the Council of teachers and by the School Council every year.

Collaboration between families, teachers and all the "educational agencies" on the territory is promoted for a successful teaching learning process.

SCHOOL PLANNING

School plannings specify aims, contents competences and evaluation in each of school level.

They are elaborated by the teachers and presented to the families at the beginning of the school year.

SCHOOL PROJECTS

School projects integrate and improve the school offer.

They increase the children skills and motivation to learn by offering different contest of work and communication.
